

Women's Study Small Group Leaders Guide -Chapter 5

Our hope is that these questions would help guide your time together. Aim for an hour to an hour and a half of intentional conversation about the chapter, how each girl is doing personally and a time to pray for each person in your group.

Personal reflection questions:

How was your time in the Word this week?

Who are you seeking to share the gospel with and how is that going?

What is something God is teaching you either through the Word or in this book?

Book reflection questions:

What is something that challenged you in this chapter?

What is something that encouraged you?

Israel in the Old Testament killed a lot of people, whipped out entire nations, some would say committed genocide. What would you say to someone who has this view of Christianity?

She spends a long time discussing the violent acts and theologies of Hitler. Knowing her audience is mostly American readers, do you think she is trying to compare Christianity in America to Hitler's view of Christian Germany? In what ways are our nation's similar or different? How are religion and nationality tied to both?

Was there anything in this chapter that you didn't agree with or felt like was a weak argument?

Is there anything you need to do after reading this chapter?

Pray for each person in your group individually/follow up on past requests.
