

Women's Study Small Group Leaders Guide -Chapter 8

Our hope is that these questions would help guide your time together. Aim for an hour to an hour and a half of intentional conversation about the chapter, how each girl is doing personally and a time to pray for each person in your group.

Personal reflection questions:

How was your time in the Word this week?

Who are you seeking to share the gospel with and how is that going?

What is something God is teaching you either through the Word or in this book?

Book reflection questions:

What is something that challenged you in this chapter?

What is something that encouraged you?

How did you feel reading this chapter as a woman?

Have you ever viewed God's call for women to submit as oppressive? How has this chapter affected that view (positive or negative)? Do you still have any lingering questions/frustrations on submission?

Is there anything you need to do after reading this chapter?

Pray for each person in your group individually/follow up on past requests.
