

Women's Study Small Group Leaders Guide -Chapter 9

Our hope is that these questions would help guide your time together. Aim for an hour to an hour and a half of intentional conversation about the chapter, how each girl is doing personally and a time to pray for each person in your group.

Personal reflection questions:

How was your time in the Word this week?

Who are you seeking to share the gospel with and how is that going?

What is something God is teaching you either through the Word or in this book?

Book reflection questions:

What is something that challenged you in this chapter?

What is something that encouraged you?

Why do you think it's so hard to have conversations about homosexuality in our culture?

Why do you think sexuality has become what we base identity on in our society? How have you contributed to identifying people based on their sexuality? (i.e: talking about a friend and saying they're gay/lesbian as a way to describe them)

Is there anything you need to do after reading this chapter?

Pray for each person in your group individually/follow up on past requests.
